MAY 5TH, 2024 // ARMATURE WORKS, TAMPA

The 7th Annual Mommy and Me High Tea is an exclusive Charity experience hosted for children to benefit children, and we are thrilled once again to be benefitting Redefining Refuge! This very worthy Cause is hard at work in our Community fighting the injustice of Child Trafficking* We, along with Redefining Refuge believe that empowering young girls now, and strengthening connectedness of families is one of the best ways to prevent children from becoming potentially vulnerable victims in the future.

This warmly anticipated and memorable high-end Tea Reception will include hot and cold teas served in vintage crockery; paired with savory tea sandwiches and delectable desserts. A Fashion Show featuring clothing for Mommy and Me will be presented, and to make the day just that much sweeter, we have included Princess Experiences, Photo Opportunities, Live Entertainment, Creative Craft Stations, Silent Auction and more! Come dressed in your finest tea chic attire {hats, fascinators, gloves and pretty dresses are encouraged}

We look so forward to hosting you and your little ones and sharing some fun and empowering activities to build self-confidence, self-worth and character while emphasizing the importance of giving back to the Community.

* Please note that this subject itself will at no time be broached during the event, but information will be privately and readily available for you as a parent upon request.
